The only MWR Recreation services I use are the MWR Bingo. I enjoy it very much. It is a place where a lot of females and some males et away and enjoy themselves for a few hours, while getting the chance to win a little money. I think that the funds for MWR bingo have been shortened because the payouts have went down tremendously. In doing that a lot of people stopped coming because you spend way more than you win. For example, I spen at least \$150 just to play everything. Just to get my money back I have to win at least 2 games which is crazy. Now I am stationed in Fort Stewart, Georgia. When I go to Hunter they're payouts are \$400 more than in Ft. Stewart. I'm guessing because they are stationed in Savannah, a fairly large city. I don't think that is fair at all. I guess they et more funds becuase the population near them. It can't be waht they pull in. Ft. Stewart could bring in that amount if they would pay more. I don't think it's fair. I feel an equal amount should be put in for all MWR activities on every post. Not to whoever has a larger post gets more. Fort Stewart may not be in a large city. But everyone here knows that Fort Stewart and Hinesville are overpopulated. Fort Stewart isn't big enough to hold all these personnel and neither is Hinesville. That's why there's so much building going on around here. Not enough activities for all the soldiers and family members here. The only time I see MWR have concerts and such and activities is during the holidays, which is craxy becuase that's when everyone is trying to get home and visit family. Summertime is the worse. There is nothing to do here in the summer besides swimming at the outside pool which is too small and stays over crowded.

For the most part, MWR is a check-the-block thing that the Army pays for in order to help recruiting. To be sure, some of the civilians who make it go genuinely want to provide opportunities for enjoyment and relaxation for soldiers and their families, but in the end, it doesn't amount to much. I appreciate the efforts, but the prices at most of the places remain too high. The Army has more than enough financial resources to make on-post services *extraordinarily* cheap.. but they won't do it. Child care that's affordable doesn't kill the enemy.. so it's not a priority. When I can find day care that's a) cheaper (by 75%), b) more flexible timewise, and c) BETTER overall than that provided at CYS .. there's a problem.

I doubt anyone will actually read this survey.. or if it is read, that anyone will actually ever act on the data collected. One more bit of check-the-block. "We asked! We made sure to ask the soldiers what they think, want, and feel!" Yes, but what did you DO about it?

Outdoor rec in Alaska was better. They had camping cabins that were really nice and they also had ATV's. The military also had a resort off post and that was great, it would help alot to be able to go somewhere off post and be able to relax, have fun and camp and still be in the safty of the military reservation.

MWR is great. I'm sure soldiers from previous generations wish they had the things that we have in today's Army. Even though I don't use MWR facilities or programs much, it's good to know that they're there and I can if I choose, and those that I do use are beneficial to my lifestyle.

Lets update all rec fields Baseball/Softball fields, Bowling center (which by the way have arcade games that don't work half the time),concerts (only have no names artists come to those), our outdoor recreation cabin aren't kept up and have cob webs inside them, the ponds (for fishing)don't porta johns on them, you have to pack everything up and go find one or leave someone at the pond without the ability to call on a cell phone should something happen while you are looking for a toilet. Lets also put picnic tables on all the ponds and more than just 4 at each pond.

Lets update all of our MWR buildings, keep up with arcade games (the PX arcade room isn't any better), lets make a water park that hase more than one slide for kids of all ages to enjoy (Ft. Knox has a small one but they have one)

The Library, lets build a bigger building and allow for shool classes to come in and a teacher be able to read to them, or even have a classroom with computers in and everyone not feel cramped in like a sardines.

MWR NEEDS TO HAVE MORE TO DO FOR THE YOUTH. MWR HAS RECENTLY BUILT A PUTT-PUTT AREA BUT THEY NEED TO HURRY AND HAVE MORE FOR THE YOUTH TO KEEP THEM BUSY AND OUT OF TROUBLE, ESPECIALLY WHILE PARENTS ARE AT WORK. ALSO, MORE CONCERTS AND MORE ADVERTISEMENTS OF ALL MWR EVENTS. PEOPLE END UP GOING OFF POST BECAUSE THEY ARE NOT AWARE OF WHAT MWR HAS TO OFFEER. MORE CONCERTS ON POST AND WITH ARTIST THAT PEOPLE ACTUALLY KNOW AND LIKE. WE GET TOO MANY ARTIST (WHEN WE ACTUALLY GET A CONCERT ON POST) WITH MUSIC PEOPLE ARE NOT EVEN ARE INTERESTED IN. CHOOSE A VARIETY OF THEM. KEEP THE POOLS ON POST OPEN LONGER AND PAST LABOR DAY WEEKEND FOR GOODNESS SAKES!! LAST BUT NOT LEAST, BETTER QUALIFIED PERSONNEL WITH GOOD ATTITUDES ON A DAILY BASIS. WE HAVE MORE THAN WE CAN COUNT WHO ACT LIKE THEY HATE THEIR JOBS AND THEY TAKE IT OUT ON THE CUSTOMERS OR DON'T EVEN BOTHER DOING THEIR JOBS CORRECTLY. MORE THAT REALLY LIKE CHILDREN TOO PLEASE. IT AMAZES ME HOW MANY WE DO HAVE THAT WORK FOR THE YOUTH CENTERS OF CHILD CARE CENTERS THAT DON'T TREAT CHILDREN RIGHT OR ARE SO MEAN. MWR AT FORT STEWART NEEDS MORE STRUCTURAL WORK ESPECIALLY SINCE IT IS GROWING EVERY YEAR WITH SOLDIERS AND FAMILY MEMBERS. AS IT GROWS THE MWR SERVICES SHOULD GROW FOR THE BETTER I MUST ADD FOR EVERYONE!!

My hobbies are hunting, and fishing mostly on Ft Stewart, Ga. I'd like more military, and retired military only to use this instulation natural resources. There is just to many lawless members carring off what should be set aside for our use only. Most of the people that use FT. Stewart do so for the lack of law enforcement personal trying to cover vast areas. There are places on the instulation that should be opened for the use of both active, and retired members, however, at the present only active soldiers can hunt some of the restricted areas. This does not set well with the retired sportmans in this area. This is like telling us thanks for nothing.

Motorcycling is becoming more and more popular, particularly in the Southeast. Group rides are great ways to promote comraderie and raise funds for special purposes. Ft. Stewart makes it so difficult to ride on post that most riders avoid main post altogether. It's time to stop putting up roadblocks and start accepting motorcycling as a viable and wonderful leisure activity and economical means of transportation. If a person has a motorcycle driver's license, why should he have to undergo another day of post-specific training to have his bike registered on post?

Living about 40 miles from an Army Post, I do not have the opportunity to use the MWR services offered. I used these services considerably while on active duty and fully understand the value of them.

When I was on active duty, I had the opportunity to supervise MWR services in Stuttgart, Germany, and I know how valuable they are to the active duty soldiers, their families and retired individuals, who live close enough to a post to use them.

Some of the questions in the survey made me think that considerations are being given to eliminating MWR services. I think this would be a terrible mistake that would have a critical adverse impact on the morale of the soldiers and their families.

I would like to see MWR offering more tours so the Family members so they could explore the surroundings and enjoy their staying here. A nature trail and a Monthly flea market are ideals to get people out of their homes and barracks. The offering of discounts packets to near by attractions would be real nice also.

One thing that made me stop using some of recreational ponds was the fact that you have to call and register in. This is anoying to me, why do I have to call in?. The game warden and the MP's at some areas can be rude and have been rude at times thus driving me off the installation.

The theater on post is obsolete and needs to be condem. Let build a real Cinema. Let contract someone to offer deep sea fishing trips for the families.

Thanks,

Joe

I have been an Army spouse for over 17 years. We have lived on post a majority of this time. I have found on post child care services to be very professional and nurturing. I would choose these services over off post services any day. I do use off post services now and the only reason is that I live 40 minutes from post.

Overall MWR activities are very important as I am sure this prove to be a great retention tool.

We just PCSed to Ft. Stewart a little over 3 months ago. Many of the questions that ask for the last 12 months really apply to our previous duty station. With the exception of the sports questions (softball and volleyball) the answers were limited strictly to our time at Ft. Stewart. With the current deployment of the 3ID sports programming for adults seems to be non-existent. If they do exist they are not publicized well enough so that we can find out about them. I get absolutely no information from our unit FRG about events because my spouse is not deployed (that is precisely what the unit said). Our children don't generally use youth services or SAS because they can do things at home and SAS is not close to our house. We have a child who is playing youth soccer on post. We have noticed that the youth sports office does not want to pay for extra officials on one particular field/league even though that is the appropriate course of action based on the age group and the size of the field (I know this because I am a fully and nationally certified soccer referee). When I have been scheduled to referee I bring my daughters who are also nationally certified referees and they work, essentially for free (or I do) because youth sports officials have said they won't pay for any more officials.

The Army Lodging Program is inadequate for larger families and we were denied a second room for our family of six. This has been addressed to the local command and changes may be made in the future. We recently found out that the staff at Army Lodging does not work past about 10pm (no overnight staff) and control is turned over to the POST STAFF DUTY OFFICER, when a fire destroyed a neighbor's quadrplex and 3 families had to be moved out of their quarters and into temporary lodging around midnight. The lodging was closed and these three families (all with at least 3 kids) were forced to go to a hotel off post.

We, as a family, cannot fathom how Fort Stewart was named a Community of Excellence by the US Army in 2004. If the services and facilities are any indication of the post last year, the people who judged the "contest" must never have visited Fort Stewart or at a minimum never drove to the family housing area past the water filtration/waste treatment facility. We wonder who the person was that authorized family housing to be built behind the waste treatment facility and built the road to housing right by the waste treatment plant.

There were several question pertaining to the use of a library. I am at Hunter Army Airfield, and there is no library.

I would like to see a paintball field here on post. The closest one is about 30 miles away. I would rather put mine and my husband's money into an MWR sponsored paintball field. You would be amazed how much money would go back into MWR with a paintball field on this post. The majority of the paintball players that go to the field 30 miles away, are soldiers from this installation, and there are a lot of paintballers now a days in all branches of service.

I do appreciate THE EFFORTS TO MAKE ACTIVITES AVAILABLE AND IF WE LIVED CLOSE TO POST WE WOULD USE MUCH MORE OF THESE OPTIONS.

Transportation and lack of information are the key deterrents in my use of MWR facilities during my husband's deployment. If facility child care could be found for evenings for parents in night school that would really be groovy. After school programs for other schools (such as West Chatham Elementary) for those children who are military but not living on post would be great too. The cost of the programs currently offered by the school (YMCA) is extremely high with very small flexibility.
Thanks for your time
Dianne

At the Youth Center my daughter will not go because they are not watch closely and other children are mean and start fights. I don't want her to go somewhere where she feels uncomfortable. I would love for her to do thing out here but don't know what they offer.

Gymnastics would be nice. Tool painting classes would be nice to have.

I would like to see summer camps offered to kids such as basketball, swimming, baseball, etc. The ticketing office should offer pass sales to amusement parks again. Golf clinic for kids, minigolf on post. I believe it is vital to have numerous activities in place upon 3rd Id's return next year. Soldiers will need those diversions and are less likely to get in trouble if the installation offers programs that don't require them to drive 1 hour and might result in dwi/dui.

First of all, I would like to see FRG's give out CORRECT and accurate information, if there is no news, do not call and make things up, I have complained many times and have even requested my name be taken off the list.
 Things for kids to do, for example an arcade or a bigger park for them to play in, with children's rock climbing walls, a stocked pond for children to fish in. Something that would peak their interest and get exercise at the same time. Or a children's theater group with monthly plays. :)
 It would be nice if it seemed/felt more inviteing to attend and participate in activities on post.

Every post that we have been stationed at we have noticed that the FRG doesn't try to contact the people off post and when we do attend the meetings it is usually a bunch of Army wives sitting aroun gossiping about one another and not about the things that should be discussed. We feel that the FRG could use a little work.

The MWR programs here are better than our last duty station. The auto shop on base is Great!!! Because of the availability of the shop and the great workers there, I have saved over 2,000 dollars on my auto repairs. I would be highly disappointed if this program was closed.

I think it might be a good idea to make this Post more attractive to Soldiers and their families if they would offer more activities like Mini Golf Courses, Skating Ring and Concerts.
We have been in the Military for 20 years and I am sorry to say that this is one of the most illequiped and non Soldier and Family oriented places that we have ever been to.

The biggest problem that I have with Mwr is the fact that the fitness centers do not have child care for me while i am working out. This forces me and other mothers to go off post and pay a high fee to exercise because we have young children that we cant just leave at home. I feel it is very unfair that we have these wonderful fitness centers that i cant even use becuase all the off post fitness centers offer free childcrea for up to 3 hours a day while you exercise. My husband and i also like to play sports together but we have to do it seperately beacuse once again the fitness centers do not have a child care roomm for our access. I feel it is a bad move on the part of MWR to exclude families with small children from particiapting in the fitness center programs i would love to take an aerobics class and love the fact that it is offered but i cant attend. What a shame it is that I cant use my army spouse benefit of going to the free on post gym because of no child care!!! PLease this definitely needs to be addressed I know of at least 20- 30 other mothers in my unit alone that feel the same way. Our health is important especially since we are taking care of our families by ourselves when our husbands are deployed surely this need can be addressed ! thank you for your time

I have a problem with the MWR in this area opening all the activities to the general public, this a benefit for military families and as such should just be for military families, especially concerts etc. Military families are not able to use the facilities or have to wait for civilians, the concerts also lose their appeal because the non-military comes and makes the safety of those families with deployed soldiers riskier and I have not attended these concerts for that reason.
